

# C50 CLUB

Expand your skills

# WELCOME TO THE ACTEON C50 CLUB

One of our goals at Acteon is to simplify the life of our clinicians by helping them obtain positive clinical outcomes for their patient base.

We have dedicated [c50club.com](https://c50club.com) website to help you make the most of your C50 intraoral camera and share success stories to impact others.

As a C50 user, you will have access to a full range of tools and resources, as well as tips and tricks which are only available to members, helping experience the full power of your camera. Members are regularly informed about developments and updates as well as clinical and technical resources to simplify the daily use of the camera.

**Join us on [c50club.com](https://c50club.com) !**

## C50 Academy

### Learn with C50 academy

You will access an extensive selection of tutorial videos, which will give you efficient support to make the most of your equipment.

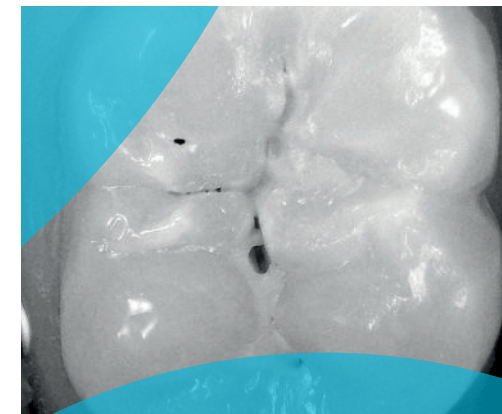

## Diagnostic-Aid Option

### Go further with the diagnostic aid option

Discover the Diagnostic-Aid Option and how to leverage the different modes of your camera to maximize your caries detection and prophylaxis capabilities.

## Clinical Library

### Share information with your peers

Discover a large clinical gallery as well as clinical tutorials to learn the extend of your diagnostic capabilities with the C50.

You can also learn from your peers by getting access to their clinical cases and share yours as well.
